Great Leaders lend a hand

"We yearn for leaders who take responsibility and deliver observable, bountiful and sustainable ministry outcomes."

Call to Action

Help us find the hands to lead our ministries

The Missouri Annual Conference is committed to excellent leadership in all areas. We strive to use the best processes to discern spiritually grounded, gifted, and committed leaders for our conference. Our goal is to assemble a pool of discerned potential leaders. This will be done through references, an application filled out by the nominee, a Spiritual Gifts Inventory, and a commitment covenant. This nominee's name will then be placed in a pool from which the leadership needs will be chosen.

To Nominate Someone –

Go to www.moumethodist.org/nominate
Enter the contact information for yourself and your nominee, then click submit. Your nominee will receive an email asking them to complete the nominations process.
